

THE ADVENTURE TO THE UNKNOWN CLUB

Written by The Supreme Boogeyman

This is her,
my mother.

SLIDE!

We will find
Osiris's relic.

SMIRK!

Flight leaves
tonight. Come
with me.

TAP!

I accept. For
her memory.

FOCUS!

Then we leave
at dusk.

WHOOSH!

This view
will wait for me.

FLAP!

Trust me, Riks.
Follow closely.

TAP!

I will return her,
I promise.

BREATH.

Let's go, then.

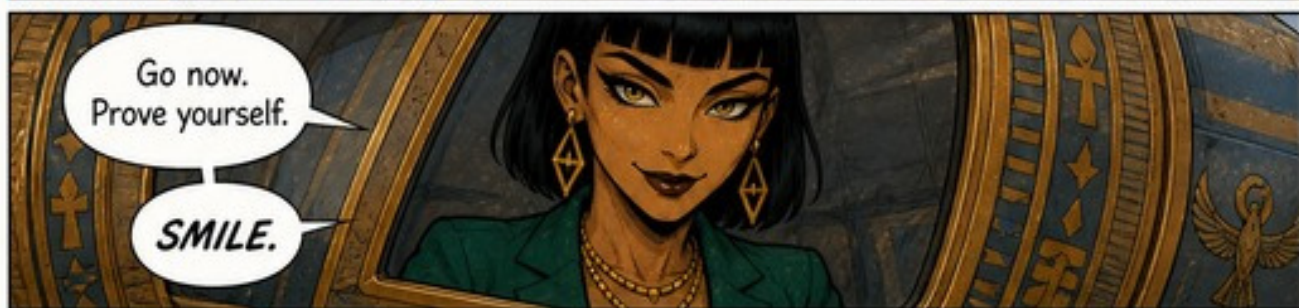

DING!

Hold tight,
new friend.

WHOOSH!

Just a few drops left.

DRIP!

Keep calm.
Conserve energy.

SWIG!

Where is that pyramid marker?

HUM.

Keep moving.
One step.

CRUNCH!

This way,
the map keeps saying.

FLAP!

Not today,
monster!

CLANG!

Keep your
balance, Rik!

SWISH!

Take this!
Stay down!

THUD!

I fight for love,
not fear.

WHAM!

One down.
The path
continues.

CRUMBLE!

These tracks aren't random.

TRACE!

They lead deeper, like a trail.

HINT!

Could a pyramid be nearby?

GASP!

I won't stop now, not ever.

THUD!

What's that poking up?

GLINT!

This should
loosen it.

CRACK!

Careful...
almost—

RUMBLE!

These carvings...
Osiris symbols.

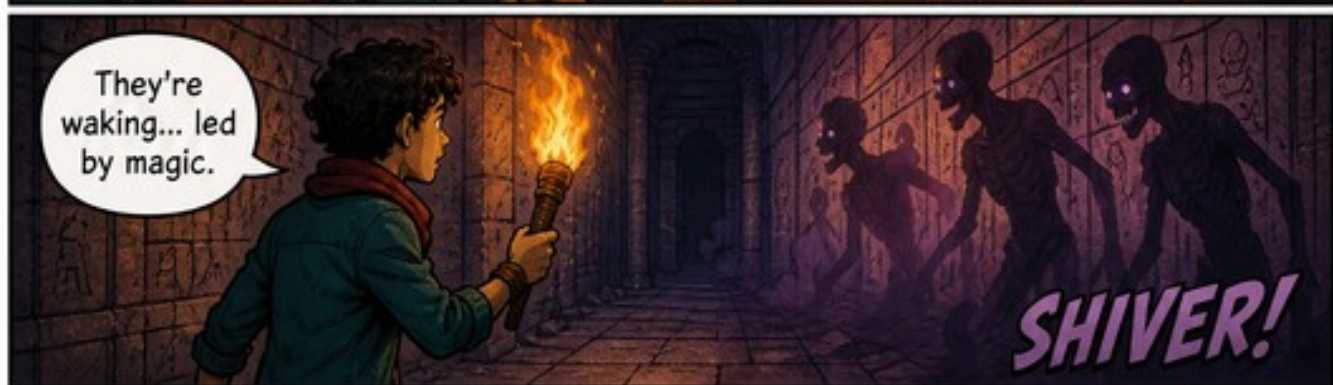

TOUCH!

Stay brave.
Breathe slowly.

WHOOSH!

The heart of
the tomb lies
ahead.

ECHO!

'A serpent crowned, king of the under.'

'HUSH!'

'This map shows inner chambers.'

TAP!

'The magic hums beneath the stone.'

HUM!

'Down we go, Stay focused.'

WHOOSH!

'The relic must be below here.'

DRIP!

Something
hisses in
the dark.

HISSS!

I'm not
alone in
here.

CREAK!

Snakes...
too many
snakes!

SLITHER!

Breathe.
Fear does
not lead me.

GASP!

They guard
the way
forward.

RATTLE!

Back!
I won't be
your meal!

SNAP!

Higher
ground—now!

LEAP!

Their eyes
glow with
Osiris's magic.

HISS!

Light, guide
me through!

FLARE!

There must
be a leader.

SLITHER!

Your crown is hurting everyone.

HISSS!

Fast, but not faster than hope!

SWOOSH!

No blade.
No hate.

CLACK!

I only need
the crown.

REACH!

The spell is
breaking!

FLASH!

I did it!
The crown
is free.

SHINE!

The snakes
are stopping.

HUSH!

Rest now,
old guardians.

POOF!

A staff...
hidden beneath
them.

RUMBLE!

This gem
feels alive.

PULSE!

This power
must serve love.

GLOW!

Can I trust
myself?

BEAT.

I will use
it wisely.

CLICK!

The crown
knows my heart.

WHIRR!

I feel stronger...
and still me.

SURGE!

Power can
make light.

SPARK!

I will protect,
not conquer.

SHIELD!

Life deserves
another chance.

BLOOM!

Mama, I'm
coming closer.

CHIME!

Love will
guide this power.

HEART!

The staff unlocks
a new path.

CHIME!

Why does the
crown feel heavy?

TICK!

Chantayno is
near. I know it.

WHISPER!

I won't give her
this power.

CLENCH!

The final
chamber waits.

WHOOSH!

This crown
can hear my
thoughts.

HUM!

Build a
bridge, not
a weapon.

RISE!

Careful steps
make strong
paths.

STEP!

I hear you,
Mama.

CHIME!

The relic
should be
here.

GLINT!

The crown
wants more
than good.

CRACKLE!

It's pulling
at my heart.

TUG!

Fame is not
why I came.

SHIMMER!

I choose love,
every time.

CLENCH!

Someone is
coming.

CREAK!

Miss me, brave
little hero?

WHOOSH!

Chantayno!
You left me.

STEP!

Give me the
crown and relic.

GLINT!

I planned
every move.

PURR...

I won't be
used again.

STAND!

With this power, I rule the world.

SURGE!

Power without love is empty.

STEP!

Cities will kneel before me.

SWIRL!

My mother taught me better.

CHIME!

I will not hand it over.

CLASP!

Your eyes...
they are like
a cat's.

GLINT!

I know
that look.

GASP!

Cleopatra's
face... it's
yours!

FLASH!

You are
Cleopatra
in disguise!

POINT!

At last,
you see me.

PURR...

I wore
many names
through time.

WHOOSH!

But Cleopatra
is forever.

SHINE!

Give me
what is mine.

SURGE!

Nothing
belongs to
a tyrant.

CLENCH!

Then watch
your crown
obey me.

HUM!

Cleopatra!
Your reign
is over!

ECHO!

No! Not
my crown!

SHATTER!

I only
wanted the
world!

FWOOSH!

Love is
stronger
than fear.

GLOW!

The pyramid
is collapsing!

RUMBLE!

This room
survived the
collapse.

THUD!

Who is
there?

HUSH!

Show
yourselves!

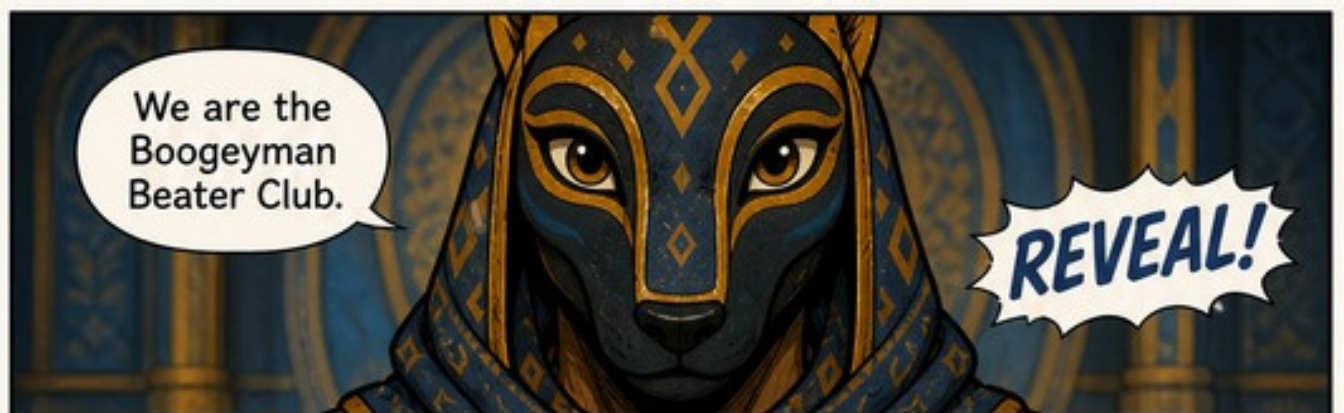

GLOW!

Easy, traveler.
We mean
no harm.

STEP!

Welcome to
our hidden
refuge.

CHIME!

We are the
Boogeyman
Beater Club.

REVEAL!

We stop darkness
with courage.

CLINK!

Then you're
not my enemies.

EXHALE!

You beat fear.
You belong here.

SWISH!

Stand with us, Riks.

CHEER!

Money and
fame are nothing
without love.

HEART!

Perseverance
makes a path.

OPEN!

No one is
born evil.

SUNRISE!

Love can change
a dark heart.

GLOW!

The Unknown
Club is home.

TOGETHER!
