First of all, I would like to ask you all again to write a review about our children's books as a boogeyman beater club... It would be very nice if the whole world knew our name and since we distribute and write them for free anyway, that is only a small seems like trouble?? We try to make every child laugh and shudder, but also, and not unimportantly, enjoy and learn!

All our books have a moral and the horror children read aloud books even several... Where we try to make the children realize that life is not nearly as difficult as it seems if you can let everyone be in their own worth and, for example, also through your vegetables to eat, they are on your plate for a reason!

We are a child friendly environment and we don't judge anyone except Diabolico because he is the scariest of the scariest and no longer welcome in our club!

....no 4....

The beginning is something like
this, at least that's the whole
idea behind this idea:

....no 5....

The image features a large, circular, blue-tinted area in the center. Inside this circle, two hands are shown, palms facing each other, as if holding something. The hands are rendered in a glowing, fiery orange and yellow color, with intricate vein-like patterns. The background of the circle is a dark, starry space. The text 'CHAPTER 1' is written in a bold, white, sans-serif font across the center of the hands. The text has a dripping effect, with small white droplets hanging from the bottom of each letter.

CHAPTER 1

....no 6....

Once upon a time there was a boy named Billy who went to school and bullied everyone, he had the whole class until he got to the very last of the school jimmy!

And Jimmy just sat staring into space and thought stupid kid, do something with your life! I'll do you one of these days and Billy wanted to bully Jimmy...

Okay Billy who wanted to tease had something in his head and Jimmy really had something like not today dude.....

So Billy goes on and on and starts throwing all kinds of things at Jimmy and taking his chair from under his ass.. But he was no use to Jimmy and Jimmy says out of the blue: slip slip slippery and then Billy became a purple Flubbel bubble Jimmy sits back in his chair and all they saw on the floor was a purple soggy spot...

But what no one knew or realized is that the Flubbel bubbles are threatened by the flameians...

....no 7....

And the Flameians are evil while the Flubbel bubbles are really just a nice and good Alien. Yes, you heard that right, an Alien! Jimmy is a Flubbel-bubble but can adapt to humans, something not all Flubbel-bubbles can do and especially not without training... Because a Flubbel-bubble can take on any shape they want, but with enough training, where the Flameians are actually a threat to the whole world!

The Flameians are able to set everything on fire with their fiery hands and the Flubbel bubbles try to prevent that with all their might and their wet and slimy form...

Now the Flubbel bubbles are not all like Jimmy and should never be known!

Can I have your word of honor on that too?!

No one is allowed to know what primal battle is being fought in space!

So you are also not allowed to talk to anyone and I mean anyone at all about the story I am about to tell you!

....no 8....

If you agree with this and can keep a secret we will proceed but only if you can keep this secret to yourself because the supreme boogeyman is much but not stupid and as soon as I find out that you have shared this secret I will give you a nightmare. What do you say deal?

Deal?!

Okay then let's move on and even if you said no I'll write a book about it of course you won't get a nightmare only if you really want it of course....

Okay purple bubbles and Flameians and flames and custard.. Nice combination also flames and custard hot and sweet, soft and hard soggy and I'm getting hungry....

....no 9....

But yes the Flameians are not only very tasty hot snacks but also lives and I also mean really dangerous monsters that can destroy everything by lighting their flammable hands through the thoughts of humans and other life forms ..

While the Purple Flubbel bubbles are just Flubbel bubbles as the name implies they are the guardians of innocence and the guardians of the evil Flamians race, a kind of water vs fire and as always the water always wins over the fire but this time... .

This time the flames may be unstoppable and that's where Billy comes into play the bully who was transformed into Flubbel-bubble by Jimmy out of the blue!

And not only that but with the change he came right in Flubbellubbellabbellobbellobbellonia or something like that!

....no 10....

CHAPTER 2

FLUBBELLUBBELLABBELLOBBELLONIA

....no 11....

The planet of the Flubbel bubbles and it just leaves that planet on the devastation list of the Flameians...

Who with their fiery hands turn every Flubbel-bubble into a watery porridge.. Billy still has to discover all his powers that he has as a Flubbel-bubble and let that be something that is still quite fun to do....

Because how do you change into a different shape or into a water ball or into another fluttery thing?

The biggest Flubbel-bubble Breakneck walks up to him and introduces himself as Flubbel-Sensai!

....no 12....

The flubbel sensai is the ultimate teacher to get the flubbelly powers under complete control... But that is not without a struggle, the flubbelly powers must get every Flubbel-bubble under control by sleeping and waking up on, for example, a spike mat as a mattress. become painless..... Because to save Flubbellubbellabbellobbellonia or something like that, a Flubbel-bubble must be able to withstand all the pain and horror the Flameians can cause with the greatest of ease! And there begins his hellish training full of pain and juicy bubble juice that drips down with every jab the spike mattress makes, and of course it hurts him! He feels the mattress pierce right through his bubble and not once, not twice and not three times no all the time again, and again and again!

....no 13....

Because it hurts him so much, he tries to get off the mattress, but the nails catch him and he floats through the nails all the way down into the mattress!

How does he get out of here again? How does he wriggle himself out of here?

Then he thinks yes..... It must be, and relaxes itself like the Flubbel-bubble, and then something happens!

It rises up, the nails lose their grip and it rises higher and higher and higher and higher and higher until it's on top of the mattress, and even then it rises a little higher, even at the top of the nails until they don't hurt anymore!

This is like a normal mattress as he is used to from when he was a normal human being, soft and familiar, just like before and when he falls asleep and has left in a deep sleep, he is heavily awakened by an air raid siren!

The Flameins are invading, and all Flubbel bubbles are ready!

....no 14....

All except him, because he just wakes up and needs coffee first just like mom and dad!

He doesn't know how to get rid of this nail mattress! Because every effort lowers him further and further down, so how does he get out of here?!

He tries to think of a nice place from the past with grandpa to the park or something and then he starts to float through the air, higher and higher and higher and higher and higher...

He floats through the courtyard where the castle stands and sees dozens of fiery fists coming out of the ground and burning the Flubbel bubbles one by one!

And he sees Breakneck take on other forms to stop the Flameians...

He now understands how the Flubbel bubbles work, because he is a lot but not stupid!

....no 15....

CHAPTER 3

THE FIRST TEST!

....no 16....

His imagination is what his greatest weapon is so he imagines himself to be a waterfall and the moment a Flameian in mid-air tries to burn him with his fiery hands he crashes down across the courtyard in a giant tidal wave causing extinguish all fiery fists at once, and the Flubbel bubbles can breathe a sigh of relief again!

Breakneck doesn't know what he sees and declares him the chosen one to win the war against the Flameians, and they bring the fight to Flamerian's very own planet!

For they have the warrior of warriors and they can win the battle together with the chosen one!

The master of Flubbel-bubbles who has total control over Flubbel-fu...

The flubbel-fu master is something that Flubbellubbellobbellobbellonia or the like has been missing for too long!

But the Flubbel-fu master is the strongest warrior in the galaxy and any intergalactic

....no 17....

threat on

Flubbellubbelllabbellobbellobbellonia or something like that will no longer be a threat from now on!

They can reclaim the galaxy as it last did centuries ago and the Flubbel-bubbles can earn their place in the intergalactic space of fame only through the power of the Flubbel-fu master!

Breakneck doesn't waste any time and starts the Flubbel mobile and tank with missiles, but he is not done yet and imagines that he is the source of life that can bring back all Flubbel bubbles, then he disappears into the ground and come all Flubbel bubbles are slowly coming back to life!

Breakneck cheers like only a Flubbel-Sensai can:

Flubbellubbellubbellubbellubbellubbell!!!!

And while as all the Flubbel bubbles slowly but surely return, more and more tanks enter the battlefield!

....no 18....

Each one of them departing for the planet
Flamerian!

The journey is long-winded, and all the
planets have been destroyed by the Flamians!

It is a great conflagration in space, all the
planets are burning down.

Breckneck looks at Flubbel-master and asks
if he can do anything, but he can't do anything
from this tank floating through space!

Then they finally arrive at Flamerian, a
wasteland, everything is burned and
everything is on fire!

Everything that was once beautiful has been
destroyed by the Flameians, everything that
once stood has burned down and smoldered to
the ground...

....no 19....

And when Billy as Flubbel master emerges from the tank with an army of Flubbel bubbles at his side, he's sure to tell them that their imagination is their greatest weapon!

The first Flamejans come to take a look, but the supremacy of fantasizing Flubbel-bubbles comes up with the strangest things so that the

Flamejans drip off one by one, like 1 Flubbel-bubble fantasizes that he is a huge dog in dire need and pisses over the Flamejans in such a way that their fiery hands extinguish!

1 Flubbelbubble fantasizes about being on a beach so the wasteland becomes a beach at once, and another Flubbelbubble fantasizes about being the water causing a tsunami and extinguishes the burnt wasteland at once and the Flamejans all piece by piece wiped out! Breackneck doesn't know what hit him and cheers again:

Flubblubblubblubblubblubblubblub!!!

....no 20....

CHAPTER 4

VICTORY, RIGHT?

....no 21....

They won through the lessons of the Flubble Master, and when Breakneck wants to board the tank, the intergalactic delegation arrives chugging on space scooters!

He asks for Billy's autograph and once Billy has signed it, he is put in the space of fame along with Breakneck and the other Flubbel warriors!

The Flubbel bubbles that saved all of space from destruction!

Afterwards, the intergalactic delegation wishes him safe passage as he is returned to Earth in his classroom as if nothing happened!

Jimmy nods and hands him a note that says "But I didn't expect that, well done master!"

While the teacher talks about something that doesn't interest Billy at all, he fantasizes about the Flameians and their planet and what actually happened....

Space was saved very quickly, wasn't it?!

Was this intended or not?

....no 22....

Every doubt makes him more and more afraid,
then he sees Jimmy rubbing his hands and
little flames slowly appear on his fingertips...

Not long after, his whole hands turn into
flames and he laughs: Look guys, this Flubbel
master thought he was too strong for us!

Then the rest of the classroom changes from
normal students to destructive Flamians, and
Earth is on their destruction list!

Jimmy says: We have never been evil Flubbel
master if you don't understand that now that
you beat us so easily then I don't understand
you!

And then Billy also realizes that the Flameians
are not as dangerous as what the Flubbel
bubbles said, but that the Flubbel bubbles
themselves are the greatest evil in space
because they can take on any form they want!

....no 23....

And that means he can now do it whenever he wants what were Jimmy's words he fantasized about Slither-slither-slither, or Slither-slider-slider or was it

Slither-slider-globber? His last attempt and he says it out loud this time: Slip, slip, slip!

His transformation is instant, while Jimmy and the other Flameians run away scared, he stays behind and fantasizes about

Flubbellubbellbabbleblobbubblelonia or something like that and poof there he is!

Breakneck says we know about the situation and we're all going to Earth!

We'll make this our last battle with the Flameians!

Then Billy transforms himself into a peaceful universe with all the effort he has, he makes sure that all the burnt planets come back to their former glory, That every intergalactic being coexist peacefully, and that pain and anger no longer exist anywhere, not even on Earth!

....no 24....

Everyone interacts normally without bullying
or gossiping about each other!

Without blackening each other behind each
other's backs and where you don't have to
work every day, where money isn't the most
important thing in life and where fighting
doesn't exist!

The effort Billy has made, a club from
Fearland Feartopia has not gone unnoticed
and they take him out of his Flubbel-bubble
form, and pull him into Fearland Feartopia
itself!

....no 25....

CHAPTER 5

The Moral!

....no 26....

There he is seated at the table and spoken to by a creepy guy, he calls himself the supreme boogeyman and Billy is in the boogeyman beater club!

The ogre knocker club consists of many members, but a woman walks up to him with blue eyes and green eyes, she introduces herself as Blue Sky, and what he has just experienced is what gods are experiencing!

The supreme boogeyman asks if he has learned anything from this and Blue Sky waves out and says: You have even calmed the Boogedie-boogedie monsters but do you know why we chose you and do you know the moral of this story?

Why were you chosen for this?
Why we have entrusted you with this to save the world from all the evil the world brings?

....no 27....

The other members wish him luck as his answer can either bring pain and sorrow forever and put the universe back to its former state, or his answer can bring redemption and leave the universe at peace!

It's all about the answer given in the boogeyman beater club!

His answer is simple:

I've always been a really big fantasist, and I like to fantasize about what if or what would happen?

I knew pretty much straight away that fantasizing could win the war and I think you know that about me and even though I'm a bully at school I'm not nearly as bad in everyday life!

I will never do the bullying again because the Flubbel bubbles were the biggest bullies that could exist!

But I hope I can save again someday because I still enjoyed doing that!

....no 28....

So the moral of this story is also that you are never too young or too old to learn! And although I have misbehaved occasionally, there is always room for improvement and being a better version so that you can help others or in my case save an entire universe! Because if I had remained that bully when the universe needed me, the Flameians would have won with all the consequences!

The whole boogeyman beater club claps for the wise boy and these wise words, and Blue Sky pats him on the head, after which he wakes up again in his classroom and immediately apologizes to Jimmy and the rest of his classmates and promises that he will never does again and he keeps that promise because not only can it mean the end of the universe but promise is a debt and he is only too aware of that!
