**To start with I want to
apologize to all of you
for the high worldwide
shipping costs!**

To continue!

You will be refunded with every single cent of shipping costs what you've overpaid on the boogeyman beater club!

That's also why we are currently only accepting PayPal for its easier to spread the profits between my members and it's way easier to refund the shipping costs....

So let's say you live in the Netherlands sometimes shipping costs are 7,50 but sometimes they are 5,50 but if you live in Africa shipping costs are through the roof with a price of 30 bucks for Nigeria I know right? So I'm unable to set every price and every country in the shipping costs list because my platform doesn't allow me to....

That's why I'm going to refund every single cent of shipping that you overpay and I hoping to find a fix of this problem very very soon! I don't like it myself and if I would buy anything from our club I wouldn't pay €30 euro's of shipping myself haha!

I hope you accept my apology for this and I'm trying my best to find a fix for this particular problem!

Your's sincerely:
The supreme boogeyman founder of the
boogeyman
beater club!
